Carolyn-

Date, time and a.m. discussion are correct. We had talked about ordering in lunch and reserving an hour after lunch for ST012 too. I asked Don about the conference room and will get back to you today.  
Thanks.

Cathy

Given that ST-12 discussion has been elevated, we are expecting additional people to attend the BCT discussion. For purposes of arranging flights I wanted to confirm the date of Wednesday, August 24 8:30 to 4 pm, with the ST12 discussion planned for the morning. Does Amec have a large enough conference room to accommodate everyone, or should we move the meeting to ADEQ's office?
